### REPLATS

For preliminary and final replats that are solely for correcting a drafting error, correcting a boundary line, maintains or reduces the number of lots, vacates all or a portion of a previous plat, or correctly showing changes such as easements, rights-of-way or flood elevation data, the preliminary replat fee is \$250.00 plus the Tarrant County filing fee (see above). Replats that do not meet these conditions are charged at the regular Preliminary or Final plat rate.

## OTHER PLATTING FEES

### VACATIONS

<u>Type of Vacation</u>	<u>Application Fee</u>
Vacation of easement	\$250.00 plus Tarrant County filing fee
Vacation of street or alley right-of-way	\$250.00 plus value of right-of-way and Tarrant County filing fee

## PUBLIC IMPROVEMENTS CONSTRUCTION

### REQUIRED PUBLIC IMPROVEMENTS

The landowner/developer of a piece of property being platted must pay 100-percent of the costs for constructing streets, drainage, street lights, sidewalks and other public improvements within the subdivision. In addition, the developer may be required to pay for a portion of the adjacent street improvements if it is contiguous to the subdivision. The developer will pay the contractor directly for these improvements, but must provide the City with financial assurance (bond, letter of credit) for the total amount until the improvements are completed and accepted by the City.

### PUBLIC IMPROVEMENTS INSPECTION FEES

In addition to the construction cost, the developer is required to pay an inspection fee of two-percent of the construction cost, plus any overtime required. The developer is required to pay for all required construction testing as well.

### EROSION CONTROL DEPOSIT

Prior to approval of the grading permit, the developer shall submit an Erosion Control Plan for approval by the City and shall pay an erosion control deposit to the City in the amount of one hundred dollars (\$100.00) per lot for Single-Family Residential Subdivisions or two hundred dollars (\$200.00) per acre for Multi-Family Residential and Non-Residential Subdivision.

### SIDEWALK SURETY

The developer is required to provide the City with financial assurance (payment bond, letter of credit) from his bank for 20-percent of the sidewalk development cost. If at the end of four years from acceptance of the subdivision, sidewalks are not complete, the developer will be required, or the City will use the funds, to complete all sidewalks.
